Hi Rebecca,

Hope your "hobby" job is going well? I will check and see what Bill thinks, good call. I am going to check and see what Tom Stoops thinks as well.

I didn't invite you since I knew you were in Silverton. Hope you don't mind?

I don't think you need to travel back to Kalispell, I'm very comfortable around the congressionals, and I don't think they have much for Shaun.

Keep in touch,
Mike

Maybe tease out what Bill believes to be MDEQ position on last call? Let him know that Shaun wants to make some sort of statement regarding last call when Shaun is in Libby.

Also - are you good managing the Congressional briefing for Shaun next week? I think the primary topics - last call and CFAC - you have covered. I'm happy to drive up from Libby for that briefing, but I'm not sure I'd add much value. What do you think?
